### **VISION/MISSION STATEMENT**

*“Our mission is to be the leader in providing innovative solutions to integrate diagnostic testing and information into the delivery of healthcare for critical care patients. These solutions will leverage our strengths in technology platforms and direct customer relationships to produce significant improvements in the quality and cost of healthcare.”*

### **QUALITY POLICY**

*“OPTI Medical’s Quality Policy is to maintain effective and efficient Quality Systems, people and innovation to bring this mission to reality. Each employee maintains a responsibility for implementing and continually improving the Quality Management System and promoting customer satisfaction. OPTI Medical communicates its Quality Objectives and its performance against these objectives throughout the organization and to interested parties. OPTI Medical is committed to complying with the requirements of the Quality Management System and applicable laws and regulations.”*
